

ASCPEO G.R.E.A.T. Homecoming Package

Part of the Alumni Services and Continuing Professional Education Office (ASCPEO) related services is the assistance given to Alumni in the conduct of their reunion and homecoming activities. It is highly encouraged by DLSHSI that graduates of its program conduct their get together in the auspices of the institute through the ASCPEO G.R.E.A.T. Homecoming Package.

GATHER

Reunite with your classmates. ASCPEO will help the batch key persons trace and invite the members of the batch through its alumni data base.

REMINISCENCE

Be one in going back to old places associated with your academic throwback years. ASCPEO will facilitate your tour in the De La Salle University – Dasmaringas and De La Salle Health Sciences Institute school grounds. Visit the renowned “Museo de Dasmaringas”, experience the new aura of your Alma Mater and engage in an ultimate throwback of memories by touring the two campuses where your batch history is marked.

ENGAGE

Let the batch embrace self-actualization by engaging in a community-outreach activity. Inform ASCPEO of your prospective community outreach locale and planned activities and the office will help facilitate other support measures to make the activity a success.

ADVANCE

Conduct a continuing professional education program sponsored by your batch. Coordinate with ASCPEO at least six months to one year before your intended date of CPE program and ASCPEO will support the batch in the organization, preparation, logistics and advertisement of the activity. ASCPEO will also process the application of the program for CPE units under the Professional Regulation Commission of the Philippines.

TOUCH-BASE

As you visit your Alma Mater, touch-base and embrace the advocacy of the school. Your batch can choose from the wide array of programs to help indigents supported by DLSHSI. You can fully share as a true Lasallian the mission to help the poor through support in, but are not limited to, scholarships for poor students, donation for charity patients of the De La Salle University Medical Center, donation for infrastructure development, or donation of equipment for academic, research or health utilization. Your batch can also share by supporting the DLSHSI Brother President’s Endowment Fund.

Any homecoming activities proposed by the reuniting batch outside the GREAT package are also welcome provided ample time for preparation is given to ASCPEO to provide assistance. Reunion activities outside the premises of the school whether inside or outside the Philippines are also welcomed by ASCPEO in provision of assistance. The step-by-step procedure to avail of the ASCPEO assistance for the homecoming/reunion GREAT package are as follows:

Step 1: Identify your key representative for the Batch and let your leader email ASCPEO given the following information:

OFFICE OF THE DIRECTOR

ALUMNI SERVICES AND CONTINUING PROFESSIONAL EDUCATION OFFICE (ASCPEO)

De La Salle Health Sciences Institute

Congressional Avenue, City of Dasmaringas, Cavite 4114, Philippines

ATTENTION: DR. MA. CECILIA LICUAN, Director (alumniservicescpe@dlshsi.edu.ph)

Copy Furnished: Ms. Jasmine Acuna, ASCPEO Secretary (jmacuna@dlshsi.edu.ph)

Step 2: Indicate in your email the preliminary proposed activities and intended date/s of the activity. It is suggested that homecoming events are communicated to ASCPEO six months to one year or even earlier before the intended date/s in order to properly organize and coordinate the activities.

Step 3: ASCPEO will get back to your key representative for coordination until the final set of activities is confirmed for dissemination / advertisement. The activity will be promoted via social media, email and website of DLSHSI and ASCPEO.
